

09/07/04 - The bar-b-cue on Sunday was a great success

The bar-b-cue on Sunday was a great success with over 70 people of all ages attending. It was a hot day and those present gathered in the shade to take the opportunity of getting to know ploholders they had only seen in passing or from a distance. Old hands from the lower path were particularly pleased to see Jeff and his wife again. Whole families came and enjoyed the shared food which included a variety of delicious salads, fresh fruit from the site and home made cakes. Helen, Joram and Clare kept the bar-b-cues hot and ready to cook all through the afternoon. Special thanks to them for their hard work and also John for constructing a bar-b-cue especially for the occasion.

Thanks for donation of mower Jo and Mike. Thanks to Domenico for servicing it. It is available for use by all ploholders. Supply your own petrol and ask Bev or Noreen for access.
